

First Announcement

**Joint JHPS-SRP-KARP Workshop of Young Generation Network**  
**'The future of the radiation protection profession'**

**Tohoku University**  
**Wednesday, December 4, 2019**

**Organized by Japan Health Physics Society (JHPS)**

**Co-organized by International Radiation Protection Association (IRPA) and  
Japanese Society of Radiation Safety Management (JRSM)**

**Objectives**

Based on the discussions at the IRPA YGN session in the 5th Asian and Oceanic IRPA Regional Congress on Radiation Protection (AOCRP-5), held in May 2018 in Melbourne, Australia, JHPS and the Korean Association for Radiation Protection (KARP) commenced the collaboration of young professionals. JHPS and the UK Society of Radiological Protection (SRP) have launched the collaboration of young professionals as part of UK-JHPS coordination since 2018. The purpose of this joint JHPS-SRP-KARP Workshop of YGN is to encourage the active participation of young professionals and promote the interaction of YGN to help them establish mentoring in their area of interest.

**Registration**

Attendance at the workshop is free of charge. However, advance registration is required as attendance is limited. Please send your name, affiliation, and e-mail address to the secretariat at [jhpsygn2019@gmail.com](mailto:jhpsygn2019@gmail.com) by November 15, 2019.

**Venue**

1F Learning Commons, Aobayama Commons, Aobayama Campus, Tohoku University  
Access: <http://www.agri.tohoku.ac.jp/en/access/amap/index.html>

**Technical Tour for Fukushima Dai-ichi nuclear power station**

The technical tour for Fukushima Dai-ichi nuclear power station (Tokyo Electric Power Company Holdings) will be conducted for young professionals on the day before the workshop (December 3). This tour is a one-day visit, departing from and arriving in Sendai. The number of participants is limited. It is necessary to pay the tour fee by each person. The details will be available later.

**Program**

Be under planning.
